

FAMILY LITERACY

Presented by PIQE
& LAKESIDE UNION SCHOOL DISTRICT

Learn what you can do to encourage your child's early literacy development at home.

This 8-week Family Literacy Program offers families important resources and interactive strategies to support their student's development in reading and writing. Through workshops, families are empowered to establish a strong literacy foundation for their student from preschool through 3rd grade.

What We Offer:

- Engaging workshops to empower families in their student's literacy development journey.
- Strategies and activities to bolster literacy skills at home.
- A collaborative approach with schools to support comprehensive academic success.
- Teaching essential literacy skills, including phonemic awareness, vocabulary, and comprehension.
